Year 4 Educational Visit to Verulamium Museum on Friday 13th November 2026

Dear Parents/Carers,

We are excited to share that the Year 4 team has organised an educational visit to **Verulamium Museum in St Albans**. Built on the site of one of the largest Roman cities in Britain, Verulamium is home to fascinating ancient treasures and some of the finest mosaics outside the Mediterranean.

During the visit, the children will take part in an **Artefact Session**, where they will have the opportunity to explore and handle items used during Roman times. The objectives of our educational visit are:

- To gain an understanding of what daily life was like in the Roman times
- To understand what everyday items were like in the Roman times
- To compare the similarities and differences between the Roman and Modern worlds

You will find all the details of the educational visit below. Please do not hesitate to get in touch if you have any questions.

Yours sincerely,
The Year 4 Team
