Roxbourne's Residential Programme

Dear Parents/Carers,

As part of our constant strive to provide our pupils with a transformational education, we are excited to share our 2023/24 Residentials Programme. Our Residential Programme is an unprecedented offer which further supports our ambitious extra-curricular offer and links to our core curriculum, such as design and technology. As mentioned in our Parent and Carer Information sessions in September, past pupils and parents have always spoken extremely positively about our residentials, and how it has created a long lasting memory when they look back at their time at Roxbourne.
