Year 5 Manchester - Strings Festival on Tuesday 19th March 2024

Dear Parents/Carers,

We are excited that our Year 5 Manchester will be taking part in Harrow's Strings Festival at Harrow Arts Centre, Hatch End.

The objectives of this educational visit are:

- For students to play in a large collaborative musical experience in a recognised venue in our borough with a sense of identity and community.
- To play with confidence, accuracy and in unison with the ensemble.
- To demonstrate proficiency in live performance in a large ensemble.

Pupils will be rehearsing during the school day, will remain in Hatch End for dinner and will perform at Harrow Arts Centre in the evening from 19:00 - 20:00. The school recognises Ramadan during this time, please let us know if there are any challenges and we can create a plan.

Parents and carers are welcome to join the performance at 19:00 and will need to purchase their own tickets via the Harrow Arts Centre website - [click here](#). Tickets are likely to sell out quickly, so we advise booking as soon as possible! Please find all the details of the educational visit below.
