Groundbreaking Year 6 KS2 SATs Outcomes

Dear Parents and Carers,

I wanted to take this opportunity to congratulate all staff and pupils on our groundbreaking KS2 SATs outcomes for pupils in Year 6. The Class of 2024 have performed exceptionally well, and now, go on to secondary school in a really strong place, and on a really great GCSE trajectory!

Although I have always instinctively felt we are doing the "right thing", since 2019, we have struggled to beat our personal best of 76% combined. This year, we surpassed our predictions and goals - we have set a new personal best, a new record for the school. We are therefore immensely proud of our staff and pupils, particularly our Year 6 team. I have witnessed how hard the team has worked, the times they arrive, the times they leave, how they have carefully thought about what to teach, how to teach it, when to teach it, the personal time (PGL, Dragons Den, Lion King) they have sacrificed away from their families, to serve our pupils at Roxbourne. And they continue to give up personal time this week with two Lion King evening performances and an evening Y6 graduation next week! These results are well deserved, and long awaited!

Based on the borough's (Harrow) outcomes from last year, we would rank 5th in the borough this year, and if we were a Hillingdon School we would rank First (based on last year's borough outcomes). This hopefully gives you perspective on how exceptional these results are.
