Roxbourne's Residential Programme

Dear Parents/Carers,

As part of our constant strive to provide our pupils with a transformational education, we are excited to share our 2025/26 Residential Programme. Our Residential Programme is an unprecedented offer which further supports our ambitious extra-curricular offer and links to our core curriculum, such as design and technology. By hosting residentials from Year 3 - Year 6, we have created intentional progression within the residential model as pupils' experience a sleepover at school in Year 3, camping at school in Year 4, a one night local overnight stay in Year 5, and then finally a three night stay at PGL. As mentioned in our Parent and Carer Information Sessions in September, past pupils and parents have always spoken extremely positively about our residentials, and how it has created a long lasting memory when they look back at their time at Roxbourne.

We have provided some of the key information below in the table. If you would like more information, or have some questions regarding the residentials, then we would like to invite parents and carers to attend a Residential Information Session on the dates below.

Parent / Carer Residential Information Session

Year 3 and Year 4 Residential: Tuesday 3rd March 2026 at 8.45 in the lower hall.

Year 5 Residential: Tuesday 10th March 2026 at 8.45 in the lower hall.

Year 6 Residential: There was a parent / carer information session on this in September which you can find [here](#). For those that have signed up to the residential, there will be an information session nearer the time to talk through the schedule.

Please use the **Arbor Portal** to book your child's place onto the residential.
