

Roxbourne Musical Times

SUMMER 2
2025-26 EDITION

Summer Term Music News

Warm regards from the Music Team!

Summer term has started at full speed. Mr Jung has been preparing **32 students** for graded music examinations this summer - our highest number to date. Pupils have been attending weekly grade support sessions and working hard ahead of their examinations. We look forward to sharing their results with you.

Mr Souza has been working with pupils behind the scenes in preparation for our upcoming concerts. For the first time ever, some pieces will be accompanied **entirely by our own Roxbourne pupils** on the piano, drum kit, guitar and bass guitar - no backing tracks! We look forward to showcasing the talent and musicianship of our young performers at what promises to be a fantastic concert.

What's new?

We are incredibly proud of everything our school band and choir have achieved this term, and we can't wait to share it with you! You will be able to see some of their fantastic performances at our Year 4 and Year 5 concerts, as well as the Year 6 Graduation.

If you are unable to attend these performances, you will still have the opportunity to enjoy them. We will be creating our very first YouTube-style music video, featuring our school band and choir, and sharing it on our social media platforms and YouTube channel. We hope it gives everyone the chance to celebrate the children's hard work and enjoy these memorable performances. Keep an eye out for the link coming soon!

Our repertoire development this term:

We have received lots of fantastic feedback about some of the more recent repertoire we have introduced. As a result, you can expect to hear even more pop influences in our Year 5 and Year 6 concerts! This term, our children have enjoyed learning music ranging from Elvis Presley to Taylor Swift, as well as iconic themes such as the Match of the Day theme tune and the Mission: theme. Our concerts are shaping up to be our best yet, and we are very excited to share them with you!
