

Food Menu

2026/2027

Did You Know?

Primary schools in England generate around 55,408 tonnes of food waste per year.

Our new menus are all designed to help eliminate food waste by including lots of firm favourites.

Please support by booking your child's meal on Arbor weekly or termly.

There must be a selection added to Arbor for each day.

All pupils in Primary school will receive free school meals for this year.

Even though your child will continue receiving free school meals automatically, it remains vitally important to register for the Government's free school meals if you meet the criteria. Please complete this [form](#) to check your eligibility.

Free School Meals

If your child has special dietary requirements due to a diagnosed allergy, intolerance or medical condition, please register your child's details by completing the [special diet form](#).
